

Acton Burnell, Frodesley, Pitchford, Ruckley & Langley Parish Council

CLERK'S REPORT

Extraordinary Parish Council Meeting

19 August 2021

This should be a brief meeting to formally put on the record that the Council approves the contract drafted for the Lightsource Grant of £15k to be paid to Pitchford Village Hall Committee and the transfer of funds.

Minutes of Previous Meeting

I have received two suggested amendments to the minutes of the last meeting which should be considered at this meeting:

- 21.7.4 Bentley Ford Farm – amend to make clear we are requesting temporary closure not permanent closure of route.
- 21.15.4 Village shop - requires less detail, suggest PC is 'monitoring the situation'.

Planning

I do not anticipate the need to have any discussion of the planning items on the agenda; please refer to the agenda as the Clerk's update on planning. There have been no new applications requiring consideration since the previous meeting.

Anna Morris
