

Acton Burnell, Frodesley, Pitchford, Ruckley & Langley Parish Council

CLERK'S REPORT

Parish Council Meeting

14 September 2021

21.9.8 Finance

21.9.8.1 – List of payments to be authorised

Please note that the cheque to Pitchford Village Hall has cleared the PC accounts since this list was compiled and is no longer a pending payment.

21.9.8.3 Clerk's additional hours

I'm requesting that the Council pay for 16 additional hours worked in July and September. These were incurred as a result of the extraordinary meeting in August and the amount of additional research ahead of the July meeting establishing the legality of the Council's making Lightsource Grants above S137 limits. Please see separate sheet with a breakdown of the additional hours.

21.9.8.4 Budget

As a result of the additional hours worked by the Clerk, if approved, the salary budget line will incur a further overspend of £177. There are no further unreported overspends this period.

21.9.12 Highways Matters

I am awaiting an update from Shropshire Council on repair to the pipe near Luckington Stud in Frodesley.

21.9.14 Parish Matters

21.9.14.1 Pitchford Village Hall

Building work has started at Pitchford Village Hall, I should receive a progress report from the Committee ahead of the meeting.

21.9.14.2 Frodesley traffic calming and signs

I am awaiting an update from Shropshire Council on the provision of a menu of options and price list for potential gateway signs and traffic calming. I hope to receive this in time for the meeting.

Anna Morris
Clerk & RFO
