## DEFIBRILLATORS

Defibrillators for public use can be found at:

- **Acton Burnell:** on the side wall of the Post Office
- **Frodesley:** in the telephone kiosk at the Frodesley crossroads
- **Pitchford:** at the village hall, to the left of the main door
- **Ruckley:** on the front wall of Ruckley Home Farm

The defibrillator can be used by any member of the public. It can be used if someone is unconscious and you think, or suspect, that they may have had a cardiac arrest or heart attack.

If you think someone has had a heart attack:

1. Before you do anything else - dial **999** to alert the ambulance service.
2. Go immediately to the defibrillator and unlock the cabinet door by entering the code which you will find on the door of the cabinet.
3. Picture guides and verbal instructions will lead you through the process to follow.
4. The defibrillator runs checks on the patient's heart rhythm, and only allows you to go ahead if defibrillation is needed – the defibrillator will not work on someone who is not in cardiac arrest.
5. The defibrillator may also instruct you to carry out CPR (chest compressions). The unit gives clear instructions on how to do this

This information has been provided by the defibrillator suppliers and is meant for guidance only.

**IN THE EVENT OF AN EMERGENCY, ALWAYS FOLLOW THE INSTRUCTIONS PROVIDED BY THE DEFIBRILLATOR UNIT.**

## MEET YOUR COUNCILLORS

**Paul Harrison** Chair of the Parish Council

[paulharrison@actonburnellparishcouncil.org.uk](mailto:paulharrison@actonburnellparishcouncil.org.uk) | 01694 731120

I am a retired mechanical engineer and worked in the oil industry since leaving school in Kidderminster. Following UK and overseas postings we moved to Shropshire in 1992 and set up our own business and smallholding. After a period in France we returned to Shropshire in 2012 and were lucky to find a home in Acton Burnell. Chris and I have two children (son and daughter) and two grandchildren. My interests are wildlife, dog walking, photography and keeping up with current affairs. I am committed to preserving and developing our community and improving the quality of life for local residents.

**John Long**

[johnlong@actonburnellparishcouncil.org.uk](mailto:johnlong@actonburnellparishcouncil.org.uk) | 01694 731517

After 25 years travelling the world with the RAF, I moved into business and, finally, set up my own minuscule management consultancy. Jo and I, together with our two daughters, moved to Shropshire 17 years ago and have no intention of ever moving away. Apart from being on the Parish Council, I'm also a member of the Shropshire Hills AONB's management board and volunteer with the NT at Attingham Park and as a guide at Pitchford Hall.

**Gareth Ball**

[rgball@actonburnellparishcouncil.org.uk](mailto:rgball@actonburnellparishcouncil.org.uk) | 01694 731636

I have lived locally for over 40 years, teaching in Telford and latterly Bridgnorth until retirement. I have always participated in community affairs of all kinds, also serving on a number of governing bodies of local schools including Acton Burnell before its closure. In addition I am a Church Warden at St Mary's Acton Burnell. I feel strongly that we all need to be involved with our communities to ensure a healthy future and I continually seek to promote this principle as a parish councillor.

**Carmen Culliss**

[carmenculliss@actonburnellparishcouncil.org.uk](mailto:carmenculliss@actonburnellparishcouncil.org.uk) | 01694 731679

I have lived in the village of Frodesley for the past 35 years with my husband Stuart and now grown up children (two children and 5 grandchildren). My interests include walking in our beautiful countryside we are lucky to live in and I am also a school governor at Church Stretton school and a trustee of the south Shropshire Academy trust. I enjoy being an active member of our community and supporting our schools and parish council.

**Graham Davies**

[grahamdavies@actonburnellparishcouncil.org.uk](mailto:grahamdavies@actonburnellparishcouncil.org.uk) | 01694 731237

I was born in Frodesley village in 1950 and have lived and farmed here ever since. Kathryn and I married 40 years ago and have two daughters, Jaci and Clare, who are both married to farmers, and we have four grandchildren. On our farm we have beef cattle and sheep. For many years I have been a churchwarden at St. Mark's Church and together with John Davies Snr. have looked after the Frodesley village borehole supply. I am proud of the history of Frodesley and proud to be a part of it.

## MEET YOUR COUNCILLORS

I have lived at Langley all my life, where we have a mixed farm of arable, beef and sheep. I am married to my wife Jill and we have two children. As well as being a member of the Parish Council I am also Chairman of the West Midlands Area for the Tenant Farmers Association, and believe that if you want to see changes made you need to take part and engage with people.

**Alan Hotchkiss**

[alan.hotchkiss@actonburnellparishcouncil.org.uk](mailto:alan.hotchkiss@actonburnellparishcouncil.org.uk) | 07958 319474

I have had the pleasure of living in Pitchford for most of my life, I am married with two sons and have been self employed as a Garage Proprietor for thirty years. My interests are motorsports. I raced cars for over twenty years and I am currently competing in classic motorcycle trials. I also throw in the occasional round of golf. I do not waste time worrying about things that are outside of my control but I will endeavour to get involved with all matters arising concerning the stability of Pitchford and surrounding areas.

**Tracy Johnson**

[tracyjohnson@actonburnellparishcouncil.org.uk](mailto:tracyjohnson@actonburnellparishcouncil.org.uk) | 07974 952645

I now run a holiday let business and involved in events management at Pitchford Hall. I am a keen horse rider, competing at British Dressage and Riding Club competitions. ## RUBBISH COLLECTION AND RECYCLING

### RUBBISH COLLECTION AND RECYCLING

Kerbside collection is on Fridays (there may be a change of day around bank holidays). General household rubbish (darker coloured or grey wheelie bin) is collected once a fortnight and recycling boxes and garden waste (green bins) are collected on alternate fortnights.

Go to [www.shropshire.gov.uk/recycling-and-rubbish/when-is-my-bin-collected/](http://www.shropshire.gov.uk/recycling-and-rubbish/when-is-my-bin-collected/) to find a collection calendar.

Cans, plastics and glass can all be placed in one box, and cardboard and paper placed in the blue bag. Garden and food waste (including fruit, veg peelings, coffee grounds, tea bags and meat, fish and cheese waste) should be placed in the green wheelie bin. Batteries can be placed in a clear plastic bag and put out next to your recycling boxes on recycling day.

The darker coloured or grey wheelie bin is for all items not included above and for all items which cannot be recycled.

Larger items or items not included in the list above (such as unused paint, oils, metal waste etc) can be taken to Shrewsbury Household Recycling Centre Vanguard Way, Battlefield Enterprise Park, Shrewsbury SY1 3TG. ## ACTON BURNELL WI

Acton Burnell WI meets once a month, except for August when many members are on holiday, and June, when there is a garden meeting, a garden centre visit or an outing. The venue is Pitchford Village Hall and the meeting times are every third Tuesday at 2.15pm. There is a small committee of seven members, each doing a different job and we endeavour to provide a programme that is educational, interesting and fun all in equal measure, through outings, workshops and activities within the group.

Activity during the past couple of years has been very spasmodic due to covid but we are hoping to get a programme together for 2022 to enable us to socialise on different levels and once again enjoy each other's company. The undoubted highlights of this year will be a freebie trip to the Shire Horse Centre in Tarporley and the celebration of our centenary year in November. There will be a focus on learning new crafts, and apart from that we have a picnic planned for May, talk on everything chocolate in September and a plant swap event in July. There may be additional activities planned during the year, depending on what members decide. The WI are happy to welcome new members. Visitors are welcome three times during the year without actually joining, but having said that, this year is a good one to join as annual membership has been reduced to £22.50 because of all the cancellations we had last year. If you are interested, please get in touch with one of the committee members whose details appear below.

## LOCAL CHURCHES

The churches in Acton Burnell (St. Mary's), Frodesley (St. Mark's) and Pitchford (St. Michael and All Angels) are part of the United Benefice of Condover and are coordinated under the ministry of our Rector, Reverend Geoff Garrett.

Acton Burnell and Pitchford Churches date from the early 1200s. Frodesley Church stands on the ground of two previous church buildings, but the current building was erected in 1809. Langley Chapel is managed by English Heritage and hosts one service a year – usually on the 3rd Sunday of September at 3pm.

The churches have a pattern of services each month which is constant, but is subject to change due to celebrating the annual Christian Festivals. These changes are advertised in Village Views, The Parish magazine (Benefice News), on church notice boards and on the website [www.unitedbeneficeofcondover.co.uk](http://www.unitedbeneficeofcondover.co.uk).

A Holy Communion service is held at Pitchford at 11.30am on the first Sunday of each month. At Acton Burnell Holy Communion is held on the second Sunday of the month at 8.45am, and Evensong is held at 6.30pm on the third Sunday of the month. A rota of Festival services will take place at Frodesley, including Christmas and Easter, and also featuring special rural services such as Harvest, Plough Sunday, Rogation and Lammas.
